

NOTICE OF PUBLIC MEETING

County of San Diego Floodplain Management Plan September 17, 2007 at 6:30 P.M.

The San Diego County Flood Control District has prepared a draft Floodplain Management Plan (Plan), which will be presented to the Board of Directors of the San Diego Flood Control District on September 26, 2007 for adoption. The Plan will serve as a blueprint for the County to improve safety, and reduce property damage and disaster costs from future floods.

The public, along with neighboring communities, agencies, businesses, academia, nonprofits and other interested parties are invited to review the draft Plan. A copy of the draft Plan and the results of the public survey conducted earlier this year to seek information from residents about local flooding conditions and concerns are available for review at: <http://www.sdcounty.ca.gov/dpw/engineer/flood.html>.

The San Diego County Flood Control District will hold a Public Hearing at 6:30 pm on Monday, September 17, 2007 at the Lake Shore Room of the Lakeside Community Center located at 9841 Vine Street, Lakeside, CA 92040 to present the Plan findings and recommendations. If you have any questions or cannot attend the meeting and would like more information, please contact Gitanjali Shinde, Assistant Engineer, Flood Control Engineering, Department of Public Works at (858) 694-3661 or by e-mail at Gitanjali.Shinde@sdcounty.ca.gov.
